

## **Trying to Live My Salvation**

### **I. A Clear Hope – V 13**

### **II. Caution of Worldliness – V 14**

#### **1 John 3:3**

*And everyone who has this hope fixed on Him purifies himself, just as He is pure.*

#### **Ephesians 2:2**

*in which you formerly walked according to the course of this world, according to the prince of the power of the air, of the spirit that is now working in the sons of disobedience.*

#### **1 John 2:15-17**

*Do not love the world, nor the things in the world. If anyone loves the world, the love of the Father is not in him. <sup>16</sup>For all that is in the world, the lust of the flesh and the lust of the eyes and the boastful pride of life, is not from the Father, but is from the world. <sup>17</sup>And the world is passing away, and also its lusts; but the one who does the will of God abides forever.*

Herbert:

“Because of our new nature there must be an absolute and perpetual divorce from what they loved most and practiced from old.”

### **III. Call to Purity – V 15**

#### **1 John 1:5**

*And this is the message we have heard from Him and announce to you, that God is light, and in Him there is no darkness at all.*

1. Stop living like the world
2. Start living like God

#### **Leviticus 11:44-45**

*For I am the LORD your God. Consecrate yourselves therefore, and be holy; for I am holy. And you shall not make yourselves unclean with any of the swarming things that swarm on the earth. For I am the LORD, who brought you up from the land of Egypt, to be your God; thus you shall be holy for I am holy.”*

#### **Leviticus 19:2**

*Speak to all the congregation of the sons of Israel and say to them, 'You shall be holy, for I the LORD your God am holy.*

## **Leviticus 20:7**

*You shall consecrate yourselves therefore and be holy, for I am the LORD your God.*

“The true Christians understands that holiness does not end with forgiveness of sin, but begins with an active life opposing sin.”

**I am motivated by the overwhelming awesome giver of Salvation to reflect Him in my conduct on this earth.**
